### CUSTOM HOOK KNIVES MADE IN USA

- **MK33210** - Features inside grind, nose and back grinds

- **MK33500** - Features inside double bevel grind

- **MK33300** - Features inside double bevel grind

- **MK33090** - Features single bevel grind

- **MK33625** - Features double bevel grind, with relief grind

- **MK33630** - Features double bevel grind, with single bevel tip edge

#### KNIFE FEATURES

- Hand ground, alloy steel blades
- Can be used safely with Everhard heaters
- Most knives are available with all handle options.

#### BLADE OPTIONS

- NOSE TIP: Curved, flat, or pointed
- INSIDE RADIUS: Curved or V-shaped
- EDGES GROUND: Single or double bevel

#### HANDLE OPTIONS

- Plastic handle with or without cushion grip
- Insulated wood handle
- All types work with Everhard heaters.
- Plastic handles are more heat resistant than wood handles and can last longer when used with Everhard knife heaters.

#### CUSHION GRIP OPTIONS

**Four Colors of Cushion Grips are available for Everhard Knife Handles: Red, Blue, Green and Yellow**

- Red cushion grip is standard.
- Cushion grips fit over the white plastic handle.
- The cushion grip provides a softer, more ergonomic grip.
- All handles are heat-resistant.
- Different color handles can be used to designate specific departments.

***Everhard can manufacture knives to your design. Some standard knives, and all custom knives, are subject to a 12-piece minimum.***
